## *Won't you join us?*

The 1914 Annual Giving Club is a group of individuals who take KDMC's mission statement to heart. "Providing quality health and wellness in a Christian environment" are not just words. They mean so much that these individuals offer monetary support to the cause of OUR hospital.

The KDMC Foundation is focused on providing financial support to allow OUR hospital to continue to offer a wide array of healthcare services and to grow those. We want to meet all of the health needs of the citizens of Lincoln County and the surrounding areas.

The 1914 Annual Giving Club was founded in 2014 to commemorate OUR hospital's 100th anniversary.

## *Why join the 1914 Annual Giving Club*

Our community needs you. We need more people like you to help grow our healthcare services for years to come.

## *We want to make a difference here!*

We want you to be able to get all of your healthcare within a short drive of your home. With one of the highest rated healthcare facilities in the country, your dollars help ensure that you keep that quality in our community. You can be treated in a place where your nurse and your doctor may be your neighbor.

Members receive:

- A 1914 gift
- A decal for your car window to show your support.
- Recognition on our donor list in Wellness Views Magazine.
