

King's Daughters Medical Center & Clinics

Bids & Procurement Opportunities

King's Daughters Medical Center & Clinics (KDMC) posts selected competitive procurement opportunities on this page to provide vendors with access to active solicitations, amendments, notices, and award information.

Federal Procurement Notice

Procurements funded in whole or in part with federal or pass-through funds are conducted in accordance with applicable requirements of 2 C.F.R. Part 200, including §§ 200.317–200.327, applicable Mississippi law, the terms and conditions of the applicable federal award or subaward, and KDMC procurement policies and procedures. A notice of intent to award or similar posting does not constitute a contractual commitment. Final award, contract execution, and notice to proceed are subject to all required internal, federal, state, and pass-through-entity reviews and written approvals.

Information KDMC May Post

Active solicitations, including the solicitation number, description, issue date, question deadline, response deadline, and bid opening information.

Solicitation documents, specifications, addenda, and formal questions and answers.

Notices of intent to award and other procurement status notices.

Closed or awarded solicitations, including award information when appropriate.

Vendor Responsibility

Vendors are responsible for reviewing the complete solicitation and all posted addenda before submitting a response. Requirements, deadlines, submission instructions, and points of contact stated in the individual solicitation control.
